Students will need a dictionary[☞], thesaurus, and Bible available at home for homework assignments.

* Pens and pencils need to be replaced as used. Please keep a supply at school. The number required depends upon the student and quality of implement.

☞ Hint: when purchasing your home dictionary, choose a dictionary with Canadian spelling-- check the words colour, centre, and organize. (American will be color, center, and organize; British will be colour, centre, and organise.) We recommend the Gage Canadian Dictionary.

☹ Please do not send Liquid Paper to school. Students will be allowed to have white-out tape, but liquid white-out will be confiscated.

Please label all materials and sharpen pencils before sending them to school. Thank you!

Please note: RCA is supplying a limited number of items this coming year. Items that are damaged or lost must be replaced by the parent (e.g. broken binder).
