* Pens, pencils, erasers, glue sticks need to be replaced as used. Please keep a supply at school. The number required depends upon the student and quality of implement.

**Fine Arts Option: Felt Markers are required only by art students. Art students need to have regular, wooden pencils. Black, 1" binder is required only by choir students.

📖 Hint: When purchasing your home dictionary, choose a dictionary with Canadian spelling--check the words colour, centre, and organize. (American will be color, center, and organize; British will be colour, centre, and organise.) We recommend the Gage Canadian Dictionary.

⊗ Please do not send Liquid Paper to school. Students will be allowed to have white-out tape, but liquid white-out will be confiscated.

Please purchase good-quality binders, as students open and close them several times a day. Binders that lie flat when opened are easier for the student to use. Also, binders with the heavy plastic spines (usually fancy colours) have trouble fitting into the lockers. No zipper binders.

Please label all materials and sharpen pencils before sending them to school. Students will keep day-to-day supplies in their pencil cases, and the extra pens and pencils need to be kept in a zip-lock bag by the teachers. Thank you!
