* Pens and pencils need to be replaced as used. Please keep a supply at school. The number required depends upon the student and quality of implement.

** Fine Arts option – only those students choosing art will need to bring the felt-tipped markers; only those students choosing choir will need to bring BLACK 1" binder.

Please purchase good-quality binders, as students open and close them several times a day. Binders that lie flat when opened are easier for the student to use. Also, binders with the heavy plastic spines (usually fancy colours) have trouble fitting into the lockers. No zipper binders.

Optional: Collapsible shelf for locker.

Please label all materials and sharpen pencils before sending them to school.

Please bring ALL supplies on the first day of school. Thank you!
