\* **Pens and pencils need to be replaced as used.** Please keep a supply at school. The number required depends upon the student and quality of implement.

\*\* **Fine Arts option** – only those students choosing **art** will need to bring the felt-tipped markers; only those students choosing **choir** will need to bring BLACK 1" binder.

Please purchase good-quality binders, as students open and close them several times a day. Binders that lie flat when opened are easier for the student to use. Also, binders with the heavy plastic spines (usually fancy colours) have trouble fitting into the lockers. **No zipper binders.**

**Optional:** Collapsible shelf for locker.

**Please label all materials and sharpen pencils before sending them to school.**

**Please bring ALL supplies on the first day of school. Thank you!**
