CHARACTER FIRST

CELEBRATING CHARACTER

COOPERATIVE, COURAGEOUS, CREATIVE, DECISIVE

These past few weeks we have focused on what it means to work together in unity, show that God gives us courage, see things from a different point of view, and make decisions based on the perfect will of God.

If you'd like to share character stories from your family and how our character studies are impacting your children's lives, email us at communications@regent.bc.ca - we would love to hear from you!

2021 SCHOOL DAYS

RCA'S VIRTUAL REALITY

VIRTUAL CHAPEL TIME

This school year began with the challenges of social distancing within our regular activities. Adjustments were made to so many areas of our daily routines, but we remain committed to worship and enjoying chapel in a safe manner.

To accommodate everyone within our normal chapel times, some students enjoy chapel in their classrooms while a small number gather in the chapel to broadcast live to their fellow classmates. Our older grades also spread out to the library, foyer and music room.

It is a blessing to have so many dedicated staff and students who have a desire to worship and learn God's Word. It is a highlight of each week and we are grateful for the opportunity to share God's love.

May the joy of the Lord be evident in our praises and may His presence carry us and lead us through each season of our lives. His Word remains true in every situation.

ENJOYING VIRTUAL CHAPELS

STUDENT LEADERSHIP THEME DAYS

Our Student Leadership team has designated January 29th as RCA's Black Tie Day (Gr 7-12) / Tie Day (K-6). We look forward to seeing all of the classy outfits (pictures to follow in next month's RCA School Newsletter).

FOCUS MATTERS

*I lift up my eyes to the mountains—
where does my help come from?*

*My help comes from
the Lord, the Maker
of heaven and earth.*

*He will not let your
foot slip—
He who watches over
you will not slumber.*

Psalms 121:1-3

THANK YOU

The RCA staff would like to thank you for your continued support during these difficult times. While we have all been challenged in ways we could not have imagined, God has been faithful.

We remain steadfast in the knowledge that God has been, is, and always will be in control. We trust in His loving care, knowing that as we ask for His wisdom, He gives it to us "generously, without finding fault..."

James 1:5 (NIV)
